

## **Confidentiality and Disclaimer**

All of the information collected by CCCB is confidential and used for referral and demographic purposes only. We do not share your information without your permission. We use the information to learn about child care needs in our region and to help us advocate for funding for these public services. CCCB believes that people have the right and responsibility to choose the services that best meet their needs. The referrals given are choices, not recommendations by CCCB of the services or providers. CCCB does not guarantee the information given to us by child care providers and cannot assure the quality of care provided by names referred through this process. Since choosing a provider is a personal decision, you should visit providers to decide which you and your family feel is best. We also suggest you call the Region 6 Department of Early Education and Care (EEC), (617) 472-2881, once you have chosen a number of possible providers to ask if they have had any complaints filed against them. Although we try our best to make sure that the information is accurate at the time of the referral, information is subject to change.
