FALL/Winter 2009–2010

www.childcarechoicesofboston.org

Welcome to the CCCB Fall/Winter Calendar! Our workshops focus on topics that support professional development for child care teachers and providers working in the field. We have a system to help you find workshops that focus specifically on infants/toddlers, pre-school, school age children, children with special needs or leadership/director concerns. Look for these symbols in the margins to help you find these workshops easily!

HOW TO REGISTER FOR WORKSHOPS

Our workshops list the main core competency area that will be covered. You will also see the 'level' that the workshop is directed toward. Beginning workshops are generally for teachers and family child care providers new to the field, intermediate are geared toward people with some experience, and advanced workshops are designed for people with much experience, some college education or directors and administrators. Please call us if you have any questions about the workshops – we're happy to help you choose the professional development that will meet your needs!

Look for us on the web: www.childcarechoicesofboston.org

REGISTRATION IS REQUIRED FOR ALL WORKSHOPS. PLEASE REGISTER by the workshop deadline! The deadline is indicated for each workshop and is generally one week before the start of the workshop. Walk-ins are **strongly** discouraged! It is very important that we receive your registration form **and payment** by the deadline date. Workshops will be cancelled for insufficient enrollment on the deadline day. We will notify you by phone if there is a cancellation.

Please use the CCCB registration form to sign up for workshops. All registration forms are available on our website. **Payment is due with your form.**

We accept checks or money orders, payable to Child Care Choices of Boston. **Payments are non-refundable, except when CCCB cancels a workshop.**

♥♥ We love children, but we do not have space or facilities for children at any of our trainings ♥♥

¡LOS BEBÉS LLORAN! ¡TENGA UN PLAN!

Áreas de Competitividad: Salud, Seguridad, y Nutrición; & Colaboración con Familias y Comunidades **Nivel:** Todas

Padres primerizos pueden abrumarse y frustrarse con el llanto incesante de su hijo pequeño que pueden llevarlos a sacudir violentamente al bebé. Se le da el nombre de "El Síndrome del Bebé Sacudido" (SBS) al daño que causa al cerebro del bebé cuando éste es sacudido violentamente. Los efectos de este síndrome son desbastadores – pero este Síndrome del Bebé Sacudido (SBS) puede ser prevenido. Todo participante aprenderá métodos de cómo ayudar a los padres a entender y responder efectivamente al llanto del bebé. También exploraremos diferentes formas de como un adulto puede calmarse así mismo en situaciones frustrantes y abrumadoras por causa del llanto de un infante.
